

<b>Domain</b>	<b>CLOTHING PRODUCTION</b>	<b>Unit ID: 132</b>
<b>Title:</b>	<b>Follow effective work practices in a clothing production environment</b>	
<b>Level: 1</b>		<b>Credits: 2</b>

### Purpose

This unit standard specifies the competencies required to follow effective work practices in a clothing production environment. It includes planning and organising a personal daily work routine and demonstrating commitment and professionalism in a clothing production environment. This unit standard is intended for people who work in a clothing production environment.

### Special Notes

1. Entry information  
Prerequisite:
  - Unit 130 - *Follow workplace safety procedures in a clothing production environment* or demonstrated equivalent knowledge and skills.
2. This unit standard is to be delivered and assessed in the context of clothing production operations and should be assessed in conjunction with other relevant technical unit standards selected from this domain.
3. To demonstrate competence, at a minimum, evidence is required of identifying, prioritising and completing daily work tasks in a clothing production environment.
4. Assessment evidence may be collected from a real workplace, a simulated real workplace or an appropriate simulated realistic environment in which clothing production operations are carried out.
5. Performance of all elements in this unit standard must comply with all relevant workplace requirements and /or manufacturer's specifications.
6. Regulations and legislation relevant to this unit standard include the following:
  - Labour Act No. 6, 1992
  - Occupational Health and Safety Regulations No.18, 1997
 and all subsequent amendments.

### Quality Assurance Requirements

This unit standard and others within this subfield may be awarded by institutions which meet the accreditation requirements set by the Namibia Qualifications Authority and the Namibia Training Authority and which comply with the national assessment and moderation requirements. Details of specific accreditation requirements and the national assessment arrangements are available from the Namibia Qualifications Authority and the Namibia Training Authority on [www.nta.com.na](http://www.nta.com.na)
