

Invitation |ɪnvi'teɪʃ(ə)n|

noun

A written or verbal request inviting someone to go somewhere or to do something.

NATIONAL STAKEHOLDER CONSULTATION

The Namibia Training Authority's Mining and Quarrying, Construction, Electricity, Gas, Water Supply and Sanitation Industry Skills Committee (ISC) has identified the need to develop unit standards and qualifications in the following domain:

Electro-Mechanic (Millwright)

The NTA has developed a range of unit standards and qualifications to be registered on the National Qualifications Framework (NQF) and now invites all industry stakeholders linked to the above occupational domain to consider and provide inputs on the developed unit standards and qualifications, to assist the Technical Working Groups (TWGs) in their refinement.

The unit standards and qualifications drafts can be obtained from the TVET Standards Division at NTA Village, Rand Street, Khomasdal, Windhoek or from the NTA website (TVET Standards portal): unitstandards.nta.com.na/national_consultation

Industry stakeholders are also invited to attend a series of national consultation workshops as per the schedule below, and confirm attendance before the respective workshop date.
